Grade Appeals
Review and process student grade appeals

John Doe(S001234) ✓ Approved

CS101 - Data Structures
Current Grade:C+ → Updated to:B
Submitted:10/25/2025

Appeal Reason:
I belive there was an error in the grading of Question 4 My solution follow the correct approach.

Reviewer:Dr.A.Silva

Decision:
I After re-evaluation,grade has been updated to B.

View Details

John Smith(S001235) under-review

BM202-Business Analytics
Current Grade:B-
Submitted:10/26/2025

Appeal Reason:
The final exam answer sheet appears to have calculation errors in the total marks.

Reviewer:Prof.S.Fernando

Submit a New Academic Appeal

Please fill out the form below to submit your academic appeal. Provide clear and concise information to help us process your request efficiently.

Appeal Details
Provide the core information about your appeal.

Type of Appeal

Select an appeal type ⌄

Course Code / Subject

e.g., CS101 - Introduction to Programming

Relevant Date

Justification
Explain in detail the reasons for your appeal. Be clear and concise.

Clearly state your reasons, providing all necessary context and facts. Include dates, events, and any individuals involved. Ensure your explanation is objective and factual.

Supporting Documents (Optional)
Attach any relevant documents that support your appeal (e.g., medical certificates, emails, assignments).

⤒ Choose Files

Maximum file size: 10MB per file. Accepted formats: PDF, JPG, PNG.
